Upgrades to WSU email mean brief outage, new log-in names

WSU is upgrading Microsoft Office 365 to create a single log-in to WSU resources—and free access to Microsoft Office. This change will occur between 11 p.m. July 4 and 8 a.m. July 6, and your email account may be off-line during much of that time.

When this step is complete on July 6, your Office 365 email log-in will change in two ways:

- First, your email user name will change from “first.lastname” to your network ID user name—the same name you use for zzusis and Blackboard. If that’s already your email user name, then it won’t change.
- Second, the word “email” will be dropped from the “@email.wsu.edu.”
- In other words, if you used to log in as first.lastname@email.wsu.edu, you’ll now log in as simply NetworkIDusername@wsu.edu.

Email sent to your old @email.wsu.edu address will be forwarded. When you log in to Office365.wsu.edu after July 6, you can get the latest Microsoft Office for free.
